MEMORANDUM FOR: 25X1
Office of the Legislative Counsel

SUBJECT : OSR Comments on NORAD Paper

1. The Aircraft Systems Branch in OSR has taken a close look at the NORAD paper, as requested by the staff of the Senate Preparedness Subcommittee. I think you will agree that a careful and professional job has been done in preparing these comments. After you have looked them over, if you have any questions please call me. The comments are in such form that they can be passed directly to the staff. If you or the staff want any explanation of the comments, I can make available the authors.

2. The comments are keyed by number to the paper.
